

Simply increasing the usual thrice weekly four hour treatment sessions will not solve a problem as there are diminishing returns for longer sessions and this would decrease the rehabilitation potential of these patients and increase noncompliance.

It is estimated that only 10–15 percent of patients would actually receive a fourth treatment a week. While Medicare rules allow payment for additional hemodialysis treatments beyond the standard three times a week on a case by case basis for fluid overload, pericarditis and a few other unusual conditions, Medicare's fiscal intermediaries rarely approve claims for more than three treatments per week.

Furthermore, this legislation takes into consideration the Medicare Payment Advisory Commission (MedPAC) report recommendation of a 2.6 percent increase to sustain patients' access to dialysis services in the 2002. This proposal would help ensure all dialysis providers receive the reimbursement that is in line with increasing patient load and quality requirements. The dialysis reimbursement is the only Medicare provider reimbursement that does not include an annual inflation adjustment. Therefore the only way in which dialysis reimbursement can be updated is by Congressional action.

As Congress considers further improvements to the Medicare program, I urge my colleagues to support this important effort to ensure patients with kidney failure continue to have access to quality dialysis services. I thank my colleagues for working together on this bipartisan proposal.

TRIBUTE TO NORM
KIRSCHENBAUM

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mrs. NAPOLITANO. Mr. Speaker, I rise today to honor one of California's prominent educators and public servants, Mr. Norm Kirschenbaum, who will retire on August 2nd after 39 years of dedicated service to his community.

For the past four decades, Mr. Kirschenbaum has been an integral part of the district's public school system. Involved in the educational process at nearly every level, Mr. Kirschenbaum has served as a classroom teacher, assistant principal, principal, educational director, and assistant superintendent before being asked to head the Hacienda La Puente Unified School District in 1999. His advancement through the ranks is most certainly deserved. Under his leadership, the district has achieved tremendous growth in the student Academic Performance Index. In addition, because of his unfailing dedication, the district has seen an increase in number of schools receiving California Distinguished School accreditation and has achieved a balanced budget.

In his many roles as educational coordinator, Mr. Kirschenbaum has worked tirelessly to improve management. An acknowledged trainee in Stephen Covey's "Seven Habits of

Highly Effective People", Mr. Kirschenbaum started a district-wide program to train administrators, teachers, and support staff using the Covey model.

Mr. Kirschenbaum's achievements extend far beyond the district. Throughout the years, he has served on several state educational committees. In that capacity, Mr. Kirschenbaum helped to pioneer California's groundbreaking Holocaust and Genocide Framework. As a member of those committees, he worked to establish a foundation for effective year-round education. His extensive accomplishments in this area were sufficient to garner national recognition.

Perhaps the most amazing thing about Mr. Kirschenbaum is that, despite his many accomplishments, he remains humble. In a recent meeting of school officials, Mr. Kirschenbaum acknowledged the importance of working cooperatively in education and noted his delight in doing his part. "All this", he said, "could only have been possible through a team effort on the part of our entire school community. Our primary mission of raising student achievement in an environment that values the importance of relationship building and becoming more client focused has made the difference. I'm proud to have had a part in shaping this direction for our district."

Mr. Speaker, today I would like to personally commend Norm for his dedication to the students of Hacienda La Puente Unified School and the greater Southern California educational system. He is a model of the passionate American educator and devoted citizen. I know the rest of the House will join me in congratulating Norm and wishing him the best of luck in his retirement.

IN HONOR OF POLICE CHIEF
DOMINIC V. MEUTI

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2001

Mr. KUCINICH. Mr. Speaker, I rise today to honor Police Chief Dominic V. Meuti who is celebrating his retirement from the police force after 50 years with the Bedford Heights' Police Department.

Police Chief Meuti has a long and distinguished career with the City of Bedford Heights and is believed to be the longest-serving active police chief in the country. Mr. Meuti began his service in 1951 as a 21 year old mechanic. Earning just \$1.25 an hour, he accepted the position after only a few months of police work under his belt.

As chief, Mr. Meuti performed countless jobs to make sure the city ran smoothly. In the winter, he acted as the Service Department, and plowed the snow using his beat-up Chevy. In the summer, he patrolled the tiny village in his own car. Chief Meuti's dedication to his job was displayed with the countless hours of work he performed. During his tenure, the community has grown to over 11,000, and the force has expanded to 38 full-time officers.

Police Chief Meuti's life, however, is not consumed with the police force. His office is

filled with family photographs and he remains extremely active in his local community. His kind spirit and warm smile attract people to him. He has served his community selflessly for 50 years and is an inspiration to many.

Mr. Speaker, please join me in honoring a great man on his retirement. For 50 years, Police Chief Dominic V. Meuti has dedicated his life to public service. His love and dedication to his community will be greatly missed.
